## **Accessibility Statement**

Grow Paediatric Therapy are dedicated to providing an inclusive and accessible online experience for individuals of all abilities. We aim to meet the latest standard of the Web Content Accessibility Guidelines launch at an AA level. We will continue to improve the website to meet changing web accessibility standards.

We are committed to accessibility so that information is available to everyone. This includes people with disability who may use assistive technology to read or listen to content on this site.

At times, we may publish documents and publications received from third parties. These third party documents may not follow the AA level standards.

If you would like further information about accessibility or if you have feedback, please contact us by telephone or by email at [hello@growpaediatrictherapy.com.au](mailto:hello@growpaediatrictherapy.com.au).
